

SCHOOL COUNSELOR NEWSLETTER – 2ND QUARTER

Julie Schreiner - Chipeta Elementary

Welcome to the 2nd quarter! Our school year is well underway. Students have settled in and learning is happening all around the building. Did you know that talking to your student about their learning can be a great way to connect? Reading together is another way you can bond and enjoy some quality time with one another.

Here are some of the many benefits of reading picture books with your children:

- Children love art! The pictures may help kids be more drawn towards a book & help children understand what they are reading.
- The rhythm & rhyme in many picture books make for great read-alouds, & children learn words more easily when they hear them spoken often.
- Picture books are multi-sensory, which aids a child's growing mind & stimulates their imagination!
- Picture books are FUN! The key is to always make the reading experience fun & a time to look forward to.
- Picture books allow parents to spend time with their children in a fun & interactive way!
